### § 303.512 Minimum State complaint procedures.

(1) If a written complaint is received that is also the subject of a due process hearing under § 303.420, or contains multiple issues, of which one or more are part of that hearing, the State must set aside any part of the complaint that is being addressed in the due process hearing until the conclusion of the hearing. However, any issue in the complaint that is not a part of the due process action must be resolved within the 60-calendar-day timeline using the complaint procedures described in paragraphs (a) and (b) of this section.

(2) If an issue is raised in a complaint filed under this section that has previously been decided in a due process hearing involving the same parties—

(i) The hearing decision is binding; and

(ii) The lead agency must inform the complainant to that effect.

(3) A complaint alleging a public agency's or private service provider's failure to implement a due process decision must be resolved by the lead agency.
